When I didn't have money  
I didn't have you  
I didn't have problems  
This much is true

It ain't working  
All the lying and the cheating, it ain't cool  
But you used my credit cards  
So don't act brand new

I'm sorry, I gotta go  
So get to steppin' like Martin  
I hate it didn't work  
But girl I'm through

I'm looking  
I'm looking for a new love  
(Does anyone out there know what I'm talking about?)  
I'm looking for some everlasting love  
(One that goes on and on, on and on, yeah)  
I'm looking for some good love  
(Good love, a real good love, good love, good love,  
yes I am)

So I'm sending out this application  
All across the nation  
So hurry up and sign up, sign up  
Right here  
On the dotted line, yeah

I need a woman with a job  
I need a woman with her own crib  
I need a woman with a ride  
I need a woman with no kids

If you know what I'm talking about  
And feeling you're the one  
Then go on girl, go on girl  
Submit your application

I'm tired of the fussing and the fighting and the  
stressing

I didn't want to fire you  
But girl we're through  
Finished, this is the end you're terminated, oh

I'm looking for a new love  
(Oh, said I'm searching, searching for)  
I'm looking for some everlasting love  
(Everlasting love, one that goes on and on, on and on,  
on and on)  
I'm looking for some good love  
(Girl, I got what you want and you got what I need,  
baby)  
So I'm sending out this application  
All across the nation  
So hurry up and sign up, sign up  
Right here  
(Yeah)

I've been searching for, for my dream  
A lady who can fulfill my needs  
Making love all through the night  
'Cause if you can then show you right, show you right

Baby let me see your resume  
Don't you know that you see if you qualify  
'Cause if you do you'll live a life in luxury in love  
In love, in love, in love, in love, oh

I'm looking for a new love  
(Oh)  
I'm looking for some everlasting love  
(From the east side to the west side)  
(From the north side to the dirty south)  
I'm looking for some good love  
(Don't matter what color, don't matter what size)  
(Long as you legal it's alright, it's alright, it's alright)

So I'm sending out this application  
All across the nation  
So hurry up and sign up, sign up

So I'm sending out this application  
(I need a woman with a job)  
All across the nation  
(I need a woman with her own crib)  
So hurry up and sign up, sign up  
(I need a woman with a ride)  
(I need a woman with no kids)

So I'm sending out this application  
(Winter, spring, summer, fall)

All across the nation  
(Come one come all)  
So hurry up and sign up, sign up  
(Come one come all)

Right here  
(Come one come all)  
Right here  
(Come one come all)  
Right here  
(Come one come all)  
Right here
