I don't think you, I don't think you
I don't think you, I don't think you heard me
I don't, I don't think you heard me

See I wanna give you everything
I wanna love you, show no shame
I want you to know I belong to you

See champagne and candle lights
Breakfast in bed would be alright
Baby there's nothing that I wouldn't do for you

I got a lot of love to give
And I wanna give it to you
But all I wanna know is can you handle it baby

Girl I swear I'd treat you right
Morning, afternoon and into the night
All I wanna know is can you handle it baby

I know a lot of guys call on you
But they could never love you the way that I do
Would you give me the chance?

When you're serious just call me
We'll make love constantly
Are you ready for a true romance?

I got a lot of love to give
And I wanna give it to you
But all I wanna know is can you handle it baby

Girl I swear I'd treat you right
Morning, afternoon and into the night
All I wanna know is can you handle it baby

If you want something real
I swear I know you're gonna like the way I make you
feel
I'll give you good love and I'll never quit
All I wanna know is can you handle it baby

I got a lot of love to give
And I wanna give it to you
But all I wanna know is can you handle it baby

Girl I swear I'd treat you right
Morning, afternoon and into the night
All I wanna know is can you handle it baby

Got a, got a, I got a lot of love to give
Got a, got a, I got a lot of love to give
Got a, got a, I got a lot of love to give

I don't think you, I don't think you
I don't think you heard me
I don't think you, I don't think you
I don't think you heard me

If you want, if you wanted something real
The way I make you feel
Girl I wanna make you feel
All I wanna know is can you handle it baby

I got a lot of love to give
And I wanna give it to you, baby
Can you handle it baby?

Girl I swear I'd treat you right
Morning, afternoon and into the night
But all I wanna know is can you handle it baby

I don't, I don't think you
I don't, I don't think you
I don't, I don't think you
I don't think you heard me

I don't, I don't think you
I don't, I don't think you
I don't, I don't think you
I don't think you heard me

I got a lot of love to give
And I wanna give it to you, baby
But all I wanna know is can you handle it baby

Girl I swear I'd treat you right
Morning, afternoon and into the night
All I wanna know is can you handle it baby
