Umh.....la la da.....
la da da....."Catchin Feelin"
I'm catchin feelins' (yeah yeah yeah)
I'm catchin feelins' (yeah yeah yeah)
I don't think I can deal with hollering at you and you not
holler back
Leaving messages on your phone and you don't hit me
back
Catchin feelins' (yeah yeah yeah)
I'm catchin feelins' (yeah yeah yeah)
I don't think I can deal with knowing you're laying up
with somebody
else
I don't want you for my friend if I can't have you for
myself
A friend of a friend introduced us, had some drinks
and laughs told me
about
your man I told you 'bout my girlfriend you said he
made you happy
sometimes but
(sometimes) he spends way too much time at work.
And his family
worked
yo' nerves, baby momma was a jerk and his kissing
was the worse but you
still loved him.
So we agreed to meet next week for conversation and
some drinks.
But baby girl I think I'm catchin feelins' (yeah yeah
yeah)
I'm catchin feelins' (yeah yeah yeah)
I don't think I can deal with hollering at you and you not
holler back
Leaving messages on your phone and you don't hit me
back
Catchin feelins' (yeah yeah yeah)
I'm catchin feelins' (yeah yeah yeah)
I don't think I can deal with knowing you're laying up
with somebody
else
I don't want you for my friend if I can't have you for

myself
You brought your man the next week. That didn't sit
well wit me, but
Our other
friends made it easier for me to be in your company
You said hey that's my jam but your man didn't want to
dance so I
grabbed
you by the hand and let you to the dance floor the
closer we got, I
started
feeling hot, ooh, I know you feel me, girl how
embarrassing but you
didn't
push away you pulled me closer to your face,
whispered this is wrong
we
stopped before the end of the song.
I'm catchin feelins' (yeah yeah yeah)
I'm catchin feelins' (yeah yeah yeah)
I don't think I can deal with hollering at you and you not
holler back
Leaving messages on your phone and you don't hit me
back
Catchin feelins' (yeah yeah yeah)
I'm catchin feelins' (yeah yeah yeah)
I don't think I can deal with knowing you're laying up
with somebody
else
I don't want you for my friend if I can't have you for
myself
I met many-a woman-but never felt this way you had
me wide open the first
time I
seen yo' face but I can't be around you and know you're
not mine so if
you
really love him tell me am I wasting my time
Ooh Ooh. (gerald's many ooh's)
I'm catchin feelins' (yeah yeah yeah)
I'm catchin feelins' (yeah yeah yeah)
I don't think I can deal with hollering at you and you not
holler back
Leaving messages on your phone and you don't hit me
back
Catchin feelins' (yeah yeah yeah)
I'm catchin feelins' (yeah yeah yeah)
I don't think I can deal with knowing you're laying up
with somebody
else
I don't want you for my friend if I can't have you for

myself
Knowing somebodies hitting that thang and my back
ground sang
