Yea, yea, yea

Why do birds suddenly appear every time you are  
near?

Just like me they long to be close to you

Why do stars fall down from the sky every time you  
walk by?

Just like me they long to be close to you

Yeah

Ooh, yeah

On the day that you were born, the angels got together  
And decided to create a dream come true, yes they did  
So they sprinkled moon dust in you hair and sunlight in  
your eyes

Like they do

Like they do do

Do

That is why

That is why

All the guys in town

All of the guys

Follow you all around

Just, just, just, just, just like me they long, they long to  
be

Close to you

Close to you

Baby, ooh baby

Ooh yeah

If only for a minute, I'll settle for an hour

And if you could stay just for one day

That would make me so happy, happy baby

See it won't hurt to give a love a try

No, no

Girl don't you pass me by

'Cause I'm that kind of guy

Who's gonna love you

Gonna love

And treat you like a queen

That is why all the girls in town  
They don't mean nothing baby  
Follow you all around  
I only have asked for you  
Just like me  
Just like me  
They long to be close to you  
Close to you

I can feel it when ever we touch  
And whenever we talk and whenever we walk  
All the time  
Close to you

I want to be  
I want to be  
I want to be  
Come a little closer babe  
Come a little closer babe  
Lay your head up on my shoulder, babe  
On my shoulder, baby

Boy you know I can't deny it  
Girl you know I can't deny it  
You done gone and set my soul on fire, baby  
How I love to be closer to you baby

Oh, I can't believe  
I can't believe that we are  
Hugging and kissing and squeezing each other  
And I am the one to get close to you
