Huh, it's gonna be one of them days  
I can feel it, uh  
On a day like today  
I got out of bed, upped and went my way  
Tryin' to find some peace of thing  
But here ain't no rest for, oh, every man  
Everything seemed to get me down  
Looking everywhere just to find a smile  
Then the phone rings and an angel sings  
Â“Hello (Hello)Â”  
And it's funny you should call today  
It's been too long, thought you just moved on  
And it's funny you should call today  
You always found a way to make my day  
Girl, tell me how is your family  
I can't believe that you thought of me, baby  
Baby, my heart is beating fast  
You don't know how much I missed our past, mmm,  
yeah  
Seen a friend of mine a month or so  
She said you're doin' well, you've got it goin' on  
Then the phone rings and an angel sings  
Â“Hello (Hello)Â”  
And it's funny you should call today  
It's been too long, thought you just moved on  
And it's funny you should call today  
You always found a way to make my day  
Baby, ??? yeah  
Like ??? out  
And I just want to, wanna thank you, girl  
Just to hear your face, girl, it changed my world  
And it's funny you should call today  
Oh, it's been too long, thought you just moved on  
And it's funny you should call today  
You always found a way to make my day  
Ain't it funny you should call today  
I think about you often, baby, yeah, yeah  
And it's funny you should call today  
We can just be friends, babe, ain't got to be your  
Man, no way, no way  
Said it's funny, funny you should call me  
'Cause I've been thinkin' 'bout you, babe, I've been

Thinkin' 'bout you, I've been thinkin' 'bout you, baby  
Ain't it funny, ha-ha, you should call today  
Ah-ha-ha-ha-ha, funny you should call, funny you  
Should call  
Said call me, oh, baby, now, call me  
Seems like you know when things are goin' wrong
