[Verse 1]

Well here we are; just me and you
Just you; just us and the bedroom
Here's a robe; take off your clothes, hmmmmmm
Take my hand the waters running baby in the bubble
bath, candles everywhere
Relax and unwind. I'm a wash your back while you
take a sip of this red wine

[Chorus]

Welcome to my lair, lair, lair, lair, this is where we play
girl
It's on baby, promise you we won't stop no,
no. Till you know your G Spot.
It aint nothing but love for you baby; My lair,
this is where we play baby,
It's my playground. We'll be getting down

[Verse 2]

Rub your shoulders, kiss your neck;
Roll my tongue down your back
Pick you up. Oooo you're all wet. Lay your sexy body on
the bed
Now close your eyes cause this is where our lips collide
baby.
Are you ready yet? Baby can I slip inside?

[Verse 3]

Welcome to my Lair, baby, Oooo, Oooo, Oooo, Oooo,
baby, baby, baby
I aint gonna stop, I aint gonna stop. Oooo can you feel

hold back, to hold back baby
