Chorus

Have mercy on me  
Have pity on me  
You're making me weak  
Your love is so sweet  
Please have mercy on me

Have mercy on me  
Have pity on me  
You're making me weak  
Your love is so sweet  
Please have mercy on me

I never met a girl like you  
To keep me coming back  
For the things you do  
You make every little thing alright alright

When you rub me down you relax me girl  
And just your foreplay makes me toes curl  
Please don't stop you got me so confused  
Oh Lord have mercy

Chorus

Please don't do that  
If you want me to last  
'Cause my temperature's rising  
And It's rising fast

Girl you know just how  
To turn me on baby  
But you like having that control  
Don't you like making me hot

The feeling too damn strong  
When I'm inside I'm so fulfilled  
You're like a doctor  
A doctor without the pill

Girl you make me so excited  
I hollar and curse

Slow down baby slow down baby  
I'm about to burst

Chorus

Don't do that baby  
Don't do it like that  
Slow down let me  
Let me keep my past

Chorus

Said you going to make me do that  
Don't you want this love to last  
Oh oh baby have mercy on me

Have mercy on me please  
Baby if feels so good inside of you  
Slow down baby ohoo ohoo ohoo ohoo  
ohoo baby  
Please baby oh baby stop it
