Oh baby, oh baby

Wake up in the morning I feel so empty
'Cause nobody's there by my side
Look through my window the sun's not shining
The feeling of hurt I can't hide

I get so helpless when I hear your voice
My heart starts to skip a beat
Baby, I need to feel you, just see your face baby
When can we meet, baby I'll be discreet

Look in my eyes, can't you see girl
That I'm hurting for you, I'm hurting for you
These tears I've cried, girl, should tell you
That I'm hurting for you, I'm hurting for you

I go to dinner with other girls
But all I seem to see is your face
My friends try to amuse me but they just confuse me
'Cause my head is in another place

Oh baby, just give me a chance, maybe we can be
friends
I just need your company, baby
Oh, for a little while I just need you around
Say that you feel the same way, same way about me,
oh baby

Look in my eyes, can't you see girl
That I'm hurting for you, I'm hurting for you
These tears I've cried, girl, should tell you
That I'm hurting for you, I'm hurting for you

Oh baby, there's not a thing that I wouldn't do for you
I'll go as far as you want me to
I'll give you all my time every day every hour
With gifts of love, I promise you I'll shower you

Oh my baby, my baby, my baby, my baby
Oh can't you see me? I'm cryin', I'm cryin' baby

Look in my eyes, can't you see girl
That I'm hurting for you, I'm hurting for you
These tears I've cried, girl, should tell you
That I'm hurting for you, I'm hurting for you

Look in my eyes, can't you see girl
That I'm hurting for you, I'm hurting for you
These tears I've cried, girl, should tell you
That I'm hurting for you, I'm hurting for you

Baby, just understand I just wanna be your man
Let me be if I can, baby won't you take my hand?
Lead me away to somewhere new
I just wanna spend the time with you
Baby, why don't you be my gal?
I'll give you anything you want in the whole world

Look in my eyes, can't you see girl
That I'm hurting for you, I'm hurting for you
These tears I've cried, girl, should tell you
That I'm hurting for you, I'm hurting for you

Oh baby, see I am trying to be the best for you
I'll do anything you want me to
Just give me one chance, be my love
You must have been sent from above

I wanna be the one to take your hand
Baby, baby, won't you please let me be your man
Understand, now feel my need
Baby, you'll see I'm hurting for you

Look in my eyes, can't you see girl
That I'm hurting for you, I'm hurting for you
These tears I've cried, girl, should tell you
That I'm hurting for you, I'm hurting for you
