(duet with Yolanda Adams)

[Verse 1:]

I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the ever lasting arms

[Bridge:]

If I can see it
Then I can do it
If I just believe it
There's nothing to it

[Chorus:]

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly [x3]

[Verse 2:]

See I was on the verge of breaking down
Sometimes the silence could seem so loud
There are miracles in life I must achieve
But first it's got to start inside of me

[Bridge]

[Chorus]

Cause I believe in me, yea, yea, oh, oh, oh, oh, oh

If I can see it
Then I can do it
If I just believe it
There's nothing to it, oh

[Chorus]

I believe I ca fly (I can fly) [x3]
I can do anything yea, yea, yea. yea
I can fly [x3]
I can do anything, yea, yea, yea

Anything I wanna do (Anything I wanna do) [x3]
I can do anything
I can fly
