I don't mind making you happy  
I don't mind making your day  
It feels so good to give  
But I never, never seem to get my way

I'm tired of waking up  
With nobody laying next to me  
I'm tired of being alone  
And everybody else is lovey dovey

I'm so tired of all where y'all being happy  
But me

If I could only find a lover to sing about  
Oh, oh, when I sing my song

See I know what I want  
Something real, something I could feel  
And I know it don't come easy

I wanna be with somebody  
Who can share my ups and downs  
And when they're feeling bad  
I can be the one to make her smile

Make her realize  
That I'm the special guy I sing about

If I could only find a lover to sing about  
If I could only find a lover to sing about

See every night on my knees  
I pray, send her to me  
See I ain't been perfect, in fact I've been dead wrong

But it's time for me to live off the love that I sing about  
in my songs

See listen, I wanna walk down the aisle to my song  
I want the first dance to be my song  
And I wanna and I wanna make  
Wanna make love to my song, to my song, yeah

Wanna have babies to my song  
I wanna cry, cry, cry, cry, cry  
When I'm singing my song  
I wanna say damn it's too good, it's too good to be my  
song

I wanna break-up to make-up, oh, to my song  
Oh, I wanna spend quality time  
Quality time like my song  
Just in years and years and years to my song

Waiting for the time when we can say, this is our song  
yeah  
Sing it together, sing it together

If I could only find a lover to sing about  
If I could only find a lover to sing about  
If I could only find a lover to sing about
