I know, I know
You're trying to save yourself baby

I'm not wrong
For stopping by, for staying tonight
'Cause the only thing to do
Could be for me to seduce you baby

Kissin', huggin'
We can do it through the day
I yearn for you
Every moment you're away

Caught up
Can't think, feelings so deep
Tell me babe
Is this the way to heaven?

And you're next to me
Wouldn't you be strong 'cause I'm so weak
Tell me babe
Is this the way to heaven, heaven?

Girl, then it's long, it's up to your room
And you're getting weak
And I'm already doomed, I want to
Maybe we should say a prayer or two

We 'bout to love, 'bout to make love
We 'bout to love, 'bout to make love
We 'bout to love, 'bout to make love
We 'bout to love, 'bout to make love

[Incomprehensible]

Caught up
Can't think, feelings so deep
Tell me babe
Is this the way to heaven?

And you're next to me
Wouldn't you be strong 'cause I'm so weak

Tell me babe
Is this the way to heaven, heaven?

Baby, the feeling's just too strong
And maybe I'd get my hand in coal
Maybe I just need to go
But I, but I just can't seem to let you go

I just wanna hold you close
Close, close, close, close

[Incomprehensible]

Caught up
Can't think, feelings so deep
Tell me babe
Is this the way to heaven?
