(Verse)

Girl I know I hurt you and I made you cry
You still won't forgive me
Though I said I'm sorry a thousand times

Girl you're not an angel see you have faults too
So why do you take me through the changes
The changes that you do

Just because I'm wrong
It don't make you right
Why can't we make love
Instead of fuss and fight

Repeat 1

Girl I'm only human
And I hate you feel this way
You won't give me no lovin'
Why you making me pay
I would never treat you

Treat you like you treated me
If we're going to stay together
You got to start forgiving me
I gave my all to this relationship
I tried to hold on Baby

But you let the loving slip
See if we're gonna make it last
We got to sit down and talk
'Cause Baby if we don't
I'm gonna have to walk walk

Repeat 1 three times

See Babe I love you and
I know that you love me
But we can't we can't keep on arguing
And fussing and fighting Baby
So why don't you try to understand me
Like I understand you

Give me a chance Baby, give me a chance
Understand what it is that I'm going through

Repeat 1 three times
