I recall when we first met a long time ago
How could I forget the way I felt
When I first laid eyes on you

I remember saying to my friends
There in my future wife and then
I took the stand to meet someone
Who would change my life
It had to be my destiny

'Cause I was made to love ya
My hands to touch ya, my arms to hold ya
My legs to stand, my time to spend
With you forever, I was made, made to love ya
My lips to kiss ya, my eyes to see ya
My legs to stand, my time to spend
With you forever a life together, I was made
Made to love ya, made to love ya

I remember our first date
Our first arguments
Our very first breakup and makeup
That got us to this moment

And every girlfriend
And every one night stand
Every heartbreak
And every heartache
Led me to ya

It drew me to ya
It made me better
Better soon and for ya
It had to be my destiny

I was made to love ya
My hands to touch ya, my arms to hold ya
My legs to stand, my time to spend
With you forever, I was made, made to love ya
My lips to kiss ya, my eyes to see ya
My legs to stand, my time to spend
With you forever a life together I was made

Made to love ya, made to love ya

My hands to touch ya, my arms to hold ya
My legs to stand, my time to spend
With you forever, I was made, made to love ya
My lips to kiss ya, my eyes to see ya
My legs to stand, my time to spend
With you forever a life together I was made
Made to love ya

It had to be my destiny

I was made to love ya
My hands to touch ya, my arms to hold ya
My legs to stand, my time to spend
With you forever, I was made, made to love ya
My lips to kiss ya, my eyes to see ya
My legs to stand, my time to spend
With you forever a life together I was made
Made to love ya, made to love ya

My hands to touch ya, my arms to hold ya
My legs to stand, my time to spend
With you forever, I was made, made to love ya
My lips to kiss ya, my eyes to see ya
My legs to stand, my time to spend
With you forever a life together I was made
Made to love ya, made to love ya

My hands to touch ya, my arms to hold ya
My legs to stand, and my time to spend
With you forever, I was made, made to love ya
