No, no, no  
How can I express  
My apology to you  
I know I better pay  
For all the things I put you through  
Lying 'bout my whereabouts  
I don't even take you out no more  
So it wasn't a surprise to me  
When I found my clothes outside my door

Before you put me out  
Girl, please understand  
I ain't nuthin' special  
I am just a man  
Who loves you with all my heart  
But I didn't use my head  
I swear that I'll be back, girl  
So just keep it warm  
On my side of the bed  
On my side of the bed

I know how I would feel  
If you went astray  
Thinking 'bout somebody lovin' you  
Better than I do, girl  
Would make me go insane  
Can I have a kiss goodbye  
And I'll be on my way  
Believe me I'll be on my knees  
Beggin' you take me back someday

Before you put me out  
Girl, please understand  
I ain't nuthin' special  
I am just a man  
Who loves you with all my heart  
But I didn't use my head  
I swear that I'll be back, girl  
So just keep it warm  
On my side of the bed  
On my side of the bed

I don't know what I'd do  
If I can't spend my time with you  
I'll miss calling out your name  
It wouldn't be the same  
Not waking up and seeing you  
To "show" beats "tell" all day  
Girl, I'm gonna find a way  
To show you that I changed  
And I ain't playing games  
I know I gotta leave  
But I'll make you believe

Before you put me out  
Girl, please understand  
I ain't nuthin' special  
I am just a man  
Who loves you with all my heart  
But I didn't use my head  
I swear that I'll be back, girl  
So just keep it warm  
On my side of the bed  
On my side of the bed

It's gon' be always my side  
Um my, my, my, my, my side  
It's gon' be always my side  
Um my, my, my, my, my side

Before you put me out  
Girl, please understand  
I ain't nuthin' special  
I am just a man  
Who loves you with all my heart  
But I didn't use my head  
I swear that I'll be back, girl  
So just keep it warm  
On my side of the bed  
On my side of the bed

It's gon' be always my side  
Um my, my, my, my, my side
