Hey, what's up?
I wanna dedicate this one
To all my ballers, shot callers, ha
You know how we do
We turned nothing into something

From the South Side to the East Side
From the ghetto to the high rise
Look at how we livin' now, oh yeah
Check out how we livin'now, oh

From the hooptie to the Benz-o
From the Greyhound to the Limo
That's how we rollin' girl, oh yeah
Look at how we rollin' now, oh

We took nothing
And turned it into something
We took nothing
And turned it into something
Turned it into something

Check it out
From the Iced Tea to the Cristal
From the swap meet to the big mall
That's how we ballin' girl
Check out how we ballin' now, yeah

From sexin' to making love
From protection to no glove
That's how we're making babies now
A little G, look just like me, hey can't you see?

From the South Side to the East Side
From the ghetto to the high rise
Look at how we livin' now, oh yeah
Check out how we livin'now, oh

I ain't never gonna leave you girl
I ain't never gonna go nowhere
I ain't never gonna hurt you girl
I ain't never gonna beat you girl

And I ain't never gonna let you down
I ain't never gonna make you frown
I ain't never, I ain't never, I ain't never gonna

I ain't never gonna

From the hooptie to the Benz-o
From the Greyhound to the Limo
That's how we rollin' girl, oh yeah
Look at how we rollin' now, oh

Look, we've got so much her together, babe
You see we took nothing and turned it into something,
oh

We took nothing
We turned it into something
You and me together
Check it out, lemme break it down
We took nothing
See one year of courting
Two years of kissing
Three years of fuckin'
And four years of making love
Said just you and me, you and me
So that equals eternity, hey hey

I know you feelin' me now, huh, They said it wouldn't
last
Said it wouldn't last

We took nothing
See one year of courting
Two years of kissing
Three years of fuckin'
And four years of making love
Turned it into something
That's you and me
That's the way a love should be, yeah
You and me did, you and G did
Said we did, yeah

We took nothing
Look at what we did, look at we did
Turned it into something
We took all our tiny fingers and we put them together
Turned it into something
And we made up something so good, so sweet
Everybody everybody wants it, everybody wants it
We took nothing, nothing

We took nothing
Nothing, nothing, ah baby baby

Ah, nothing, nothing
Said we took nothing, me and you
You and me, you and me baby
Uh huh, uh huh
