Yeah
I can't let you get away girl
Ohh no
I can't let you walk away girl
Yeah
I can't let you get away girl
Ohh no

I'll make good love one million times
(Times)
But nobody can love me like you
And I've been in love a time or two
Still nobody can love me like you
(Like you)

Nobody nobody nobody nobody
(You)
Nobody nobody nobody but you
(You)
Nobody nobody nobody nobody
(That's why I'm shouting you out, shouting you out, girl)
Nobody nobody nobody but you
(That's why I'm shouting you out, shouting you out, girl)

I love it when I kiss you girl
I like it when you do that thang
(Do that thang)
I love it when I hold you girl
I like it when you make me scream
(Make me scream)

Girl you know you holding it down
You know your number one on my team
(Number one in my team)
This is a shout out for my lady
'Cause I know that your riding for a G

The things you do
Who cook my food?
You do
Who wash my clothes?
You do

Who put up with me acting up all the time?
You do

Who is my girl?
You are
The one who's down for me
You are
The one who's riding with me
Till the end of the world

I'll make good love one million times
(Ohh)
But nobody can love me like you
(No one)
And I've been in love a time or two
(A time or two)
Still nobody can love me like you
(Nobody love me like you)

Nobody nobody nobody nobody
(Nobody girl)
Nobody nobody nobody but you
(Nobody hold it down like you baby)
Nobody nobody nobody nobody
(That's why I'm shouting you)
Nobody nobody nobody but you
(That's why I'm shouting you out, shouting you out, girl)

(Shouting you out baby)

Hey! I'm stopping clubbing man
(I'm giving it up)
I'm stopping cursing man
(I'm giving it up)
I'm stopping creeping man
(I'm giving it all up)
Whoa whoa whoa

Hey! What do you think about that?
Hey! Do I speak for the world?
If so I'm ready 'cause I wanna take it to another level
'Cause I'm ready for ya
Hey and I really do adore ya
And I'm glad I took time to know ya
Hey! 'Cause I'm your man and your number one fan

Who's riding with G?
You are
Who's living with G?
You are
Who's pushing my whips and taking trips with G

I'll make good love one million times
(Ohh, million times)
But nobody can love me like you
(Love like you do)
And I've been in love a time or two
(Been in love before)
Still nobody can love me like you

Nobody nobody nobody nobody
(Nobody nobody nobody nobody nobody nobody
nobody nobody)
Nobody nobody nobody but you
(Ohh oh)
Nobody nobody nobody nobody
(Ain't gonna let you go)
Nobody nobody nobody but you
(Ain't gonna let you go, no)

Nobody nobody nobody nobody
(Nobody gonna sleep in this house but you)
Nobody nobody nobody but you
(Nobody gonna spend my credit cards)
Nobody nobody nobody nobody
(Nobodys gonna ride wit me to the Grammys)
Nobody nobody nobody but you
(My sweet Kandy)

Nobody but you
Do I speak for the world?
Do I speak for the world?
Yeah
Said I sang this song for the world
Sang this song for the world
Speaking to the world
A million times over and over and over and over
And over and over again
Me and G doing it again and again, again and again
