[Intro]

Yeah yeah

Oh, yeah

Oh, oh

Yeah, yeah

Forcast was cloudy, the chance of showers
I had places to be, folks to see in about an hour
Out the door, starts to pour, gotta make it there
In a blur, there you were, couldn't shake you, baby

They say a little water won't hurt nobody
And I know it was true when I saw it drippin' from your
body
Baby I had to step to you
And the rain made it sexy, too

1 - I saw you, you saw me
I forgot about the raindrops
The cloudy day went away, saw your face
Forgot the raindrops

Love in the rain never appealed to me
But seeing you just brought a change in me
Just then and there, oh what a fantasy, baby
You soakin' wet and laying next to me

It was storming, it was pouring, girl
You were so fine, felt like sunshine
Talked for hours, through the showers, girl
Are we insane catchin' feelings in the rain, baby

Repeat 1

All over me, baby
Rain all over me, baby
(I wanna go outside in the rain)
Rain all over me, sugar
(I wanna go outside in the rain)
'cause you when I saw your face, oh
(I wanna go outside in the rain)
Forgot about the cloudy days

(I wanna go outside in the rain)
Raining on you babe, say

Repeat 1
Repeat 1

It was stormin', it was pourin', girl
You were so fine, there was sunshine
Talk for hours, through the showers, girl
Are we insane catchin' feelings in the rain, baby

Repeat 1
Repeat 1

Now I'm thinkin about makin' love in the rain
(I wanna go outside in the rain)
Huh, never wanted to
(I wanna go outside in the rain)
Let them bother me, no
(I wanna go outside in the rain)
So I'm thinking about just seeing you in the rain
(I wanna go outside in the rain)
Oh, yeah
(I wanna go outside in the rain)
Said I done think about holding you in the rain
Squeezing you in the rain
(I wanna go outside in the rain)
Doin' things in the rain
(I wanna go outside in the rain)
That I never thought I'd do, baby
(I wanna go outside in the rain)
That I never never never never never thought I'd do,
baby
(I wanna go outside in the rain)
In the rain, yeah
(I wanna go outside in the rain)
Whoa, the rain
(I wanna go outside in the rain)
Aw, forgot about raindrops
(I wanna go outside in the rain)
Falling on my face
I wanna go outside, go outside
In the rain
