We were together just the other day  
Take your life for granted passing time away  
I was there for you and you were there for me  
We would be together for eternity

I never knew it was so rough  
But I knew we'll be together tomorrow  
Together forever we was so right  
I can't believe that you're gone

Life goes on but it's not the same  
Because I can't help sometimes callin' out your name

But then I realized that you're gone  
Oh, what I wouldn't give to see you smile

Oh yes, we had our ups and downs  
Oh, what I wouldn't give to have you cussing me out  
I know it sounds funny but what can I say  
My life hasn't been the same since you went away

And I'm so alone, alone  
I miss you  
You never miss a good thing till it's gone  
And I'm so alone
