We were together just the other day
Taking life for granted, passing time away
I was there for you, you were there for me
We would be together for eternity

I never knew there'll be sorrow
But I knew we'd be together tomorrow
Together forever, we were so wrong
Now, I just can't believe that you're gone

And I'm so alone, alone
You never miss a good thing 'til it gone
And I'm so alone, I'm so alone, yes, I am
I really can't believe that you're gone, gone, gone

Life goes on and it's not the same
'Cause I can't help sometimes callin' out your name
But, then I realize that you won't come 'round, no
Oh, what I wouldn't give to see your smile

Oh, yes, we've had our ups and downs
Oh, what I wouldn't give to have you cussing me out
I know it sounds funny, but what can I say
My life just ain't the same since you went away

And I'm so alone, alone, I miss you
You never miss a good thing 'til it gone
And I'm so alone, did you have to go away?
I really miss you

So alone, I'm so alone
Oh, I'm so alone
Oh, yes I am, I'm so alone, I'm so alone

See, I never knew that there would be sorrow
But I knew we'd be together tomorrow
Together forever, we were so wrong
No, I won't believe, I just can't believe, I really don't
believe

I'm so alone, alone, I miss you

You never miss a good thing
(It's gonna be alright)
I'm so alone, alone
(It's gonna be alright)
I miss you
(I know one day)
You never miss a good thing
(We'll see each other again)

I'm so alone, alone
(I miss you mama)
I miss you
(Can't nobody take your place)
You never miss a good thing
(There'll never be another like you)

I'm so alone, alone
I miss you
(You're my one and only mama)
You never miss a good thing
(And I miss you, and I miss you)

I'm so alone, I'm so alone, I'm
(I miss you so much)
I know you're in a better place, yes, you are
(I'm so lonely without you)
Can my friends help me sing? Here I am
(I really miss you)
Can my friends help me sing? Here I am

See when you need a shoulder to cry on
When you need a good friend to rely on
He's gonna be right there
(I miss you so much, so lonely with out you)
When you're feeling down and feeling low
(I miss you)
All you gotta do is come and talk to Lil' Jo

This is Jason, you know I'm your best friend
And I love you, and I love you, and I love you
(I miss you so much, so lonely without you)
(I really miss you)

See everyone's loved and lost
And nobody wants to pay that cost
But if we all stick here together
We can make everything do much better

I appreciate having a friend like all of you around
(I miss you so much, so lonely without you)
