Well, here we are, just me and you
Just you, just us and the bedroom
Here's a robe, take off your clothes, hmm

Take my hand, the waters running, baby
In the bubble bath, candles everywhere
Relax and unwind, I'm a wash your back
While you take a sip of this red wine

Welcome to my lair, lair, lair, lair, this is where we play
girl
It's on baby, promise you we won't stop no, no
Till you know your G spot, it ain't nothing but love for
you baby
My lair, this is where we play, baby
It's my playground, we'll be getting down

Rub your shoulders, kiss your neck
Roll my tongue down your back
Pick you up, ooo, you're all wet
Lay your sexy body on the bed

Now close your eyes
'Cause this is where our lips collide, baby
Are you ready yet? Baby, can I slip inside?

Welcome to my Lair, baby, ooo, ooo, ooo, ooo, baby,
baby, baby
I ain't gonna stop, I ain't gonna stop, ooo can you feel
me
It's getting hard, baby, it's getting hard, baby

To hold back, to hold back, baby, ooo

Oh baby, oh, you feel so good uh, so wet, ahh, can you
feel me?
You like it like that huh? Ahh keep it steady, baby, rock
it steady, baby
Ahh, ahh, ahh, I won't stop, I don't want to stop, umm,
ooo, ahh
I'm about to go their baby, I'm about to go their baby
Ooo, oh baby, oh baby, oh baby, oh baby, ooo

Ah, I ain't gonna stop it, baby, I ain't gonna stop, baby
I ain't gonna stop girl till you're there
Till you say G, what's my name? Tell me what's my
name?
What's my name, baby? What's my name, girl?
Won't stop, won't stop till you know your G spot, your G
spot, ohh

Ready to start up again, ahh, baby, you feel it?
It's coming back, it's coming back
Ha, ha, ha, ahh yeah, I love it baby
I love it, baby uh, oowe, you're still so wet
How you keep it like that? Uh, ohhh
Got me screaming like a little girl
