Baby, baby, baby, baby

You got that, that it's too good I don't deserve that  
kinda love

That girl I'm callin' in sick to work kinda love

That sweaty funky dope kinda love

That's what you got, that call it a night kinda love

That girl slow down, I'm about to bust kinda love

That don't stop girl, get it get it kinda love

That back it up, break it off head boards knocking  
kinda love

That's what you got, call it a night kinda love

Baby, I think I'm comin' home early

'Cuz girl, my body's yearning for what you did last  
night

'Cuz when you did it, ooh, it didn't make no sense

'Cuz girl you know, you know, you know, you know, you  
know

That you sure got a nigga spinnin'

'Cuz you got that, that it's too good I don't deserve it  
kinda love

That girl I'm callin' in sick to work kinda love

That sweaty funky dope kinda love

That's what you got, that call it a night kinda love

That girl slow down, I'm about to bust kinda love

That don't stop girl, get it, get it kinda love

That back it up, break it off head boards knocking  
kinda love

That's what you got, that call it a night kinda love

Baby, wish you could feel what I was feelin'

'Cuz girl, when I'm inside you, girl, I'm so complete

'Cuz when we're apart, I'm only half the man that I am  
with you

And it's you that I need

And all of that, all of that, that it's too good I don't

deserve it kinda love  
That girl I'm callin' in sick to work kinda love  
That sweaty funky dope kinda love  
That's what you got, that call it a night kinda love

That girl slow down, I'm about to bust kinda love  
That don't stop girl, get it, get it kinda love  
That back it up, break it off head boards knocking  
kinda love  
That's what you got, call it a night kinda love

No telephones ringing, no back around singing  
Don't wanna see no TV, I just wanna be sleeping  
The way you put it on me, baby girl, you show me  
That I ain't never leaving, you got the lovin' I'm needing

Said you got that, turn the blue light in the basement  
kinda love  
Ooh, girl I wanna slap your mama kinda love  
That funky dope kinda love  
That's what you got, that call it a night kinda love

That girl slow down I'm about to bust kinda love  
That don't stop get it, get it, get it kinda love  
That back it up, break it off head boards knocking  
kinda love  
That's what you got, call it a night kinda love

You got that love and I don't deserve it  
But I need it, baby please ooh, ooh, ooh, oh, oh  
Got me singing', ooh, ooh, oh, oh, oh, oh  
You got that kinda love, baby
