Baby, baby, baby, baby

You got that

That it's too good, I don't deserve it kinda love

That girl I'm calling in sick to work kinda love

That sweaty funky dope kinda love

That's what you got, that call it a night kinda love

That girl, slow down, I'm about to bust kinda love

That don't stop girl, get it kinda love

That back it up, break it off

Head boards knockin' kinda love

That's what you got, call it a night kinda love

Baby, I think I'm coming home early

'Cuz girl, my body's yearning for what you did last night

'Cuz when you did it, ooh, it didn't make no sense

'Cuz girl, you know, you know, you know, you know

That you sure got a nigga spinnin'

You got that

That it's too good, I don't deserve it kinda love

That girl I'm calling in sick to work kinda love

That sweaty funky dope kinda love

That's what you got, that call it a night kinda love

That girl, slow down, I'm about to bust kinda love

That don't stop girl, get it kinda love

That back it up, break it off

Head boards knockin' kinda love

That's what you got, call it a night kinda love

Baby, wish you could feel what I was feeling

'Cuz girl, when I'm inside you girl, I'm so complete

'Cuz when we're apart, I'm only half the man

That I am with you and it's you that I need

And all of that, all of that

You got that

That it's too good, I don't deserve it kinda love

That girl I'm calling in sick to work kinda love

That sweaty funky dope kinda love
That's what you got, that call it a night kinda love

That girl, slow down, I'm about to bust kinda love
That don't stop girl, get it kinda love
That back it up, break it off
Head boards knockin' kinda love
That's what you got, call it a night kinda love

No telephones ringing, no back around singing
Don't wanna see not TV, I just wanna be sleeping
The way you put it on me, baby girl, you show me
That I ain't never leaving, you got the lovin' I'm needing
Said you got that

Turn the blue light in the basement kinda love
Ooh, girl, I wanna slap your mama kinda love
That funky dope kinda love
That's what you got
That call it a night kinda love

That girl, slow down, I'm about to bust kinda love
That don't stop girl, get it kinda love
That back it up, break it off
Head boards knockin' kinda love
That's what you got, call it a night kinda love
