Can we last through the winter?  
The water's starting to freeze.  
The only one who remembers  
Taking the wrong step, falling in front of me.  
This body's already aging.  
These nights are all ready long.  
And if I last through the winter,  
I swear to you now, I won't call.

Congratulations, go home now.

Will we last through the winter?  
Will we make it to see?  
I never wanted a partner and I never loved you,  
Now you are free to leave.  
This heart is already frozen,  
I can't remember to fall.  
And if I last through the winter,  
I swear to you now, I won't call.

Congratulations, go home now.

Its' too late, it's too late, they won't let go.  
Follow five footsteps through that open door, open  
door.  
Its' too late, it's too late, they won't let go.  
Follow five footsteps through that open door, open  
door.

It must be buried under the heart  
That makes this pace consistent.  
You'll find it torn, that gate's been opened?  
I've been wondering if you've been real with us.

Its' too late, it's too late, they won't let go.  
Follow five footsteps through that open door, open  
door.  
Its' too late, it's too late, they won't let go.  
Follow five footsteps through that open door, open  
door.

It's start, stop and go you've been dying for, you've

been dying for.
