*[Originally by The Police]*

There's a little black spot on the sun today  
It's the same old thing as yesterday  
There's a black hat caught in a high tree top.  
There's a flag pole rag and the wind won't stop

I have stood here before in the pouring rain  
With the world turning circles running 'round my brain.  
I guess I'm always hoping that you'll end this reign,  
But it's my destiny to be the king of pain...

There's a little black spot on the sun today  
(That's my soul up there.)  
It's the same old thing as yesterday  
(That's my soul up there.)  
There's a black hat caught in a high tree top  
(That's my soul up there.)  
There's a flag pole rag and the wind won't stop  
(That's my soul up there.)

I have stood here before in the pouring rain  
With the world turning circles running 'round my brain.  
I guess I'm always hoping that you'll end this reign,  
But it's my destiny to be the king of pain...

There's a fossil that's trapped in a high cliff wall  
(That's my soul up there.)  
There's a dead salmon frozen in a waterfall  
(That's my soul up there.)  
There's a blue whale beached by a springtime's ebb  
(That's my soul up there.)  
There's a butterfly trapped in a spider's web  
(That's my soul up there.)

I have stood here before in the pouring rain  
With the world turning circles running 'round my brain.  
I guess I'm always hoping that you'll end this reign,

But it's my destiny to be the king of pain...

There's a king on a throne with his eyes torn out

There's a blind man looking for a shadow of doubt  
There's a rich man sleeping on a golden bed  
There's a skeleton choking on a crust of bread

There's a red fox torn by a huntsman's pack  
There's a black-winged gull with a broken back  
There's a little black spot on the sun today.  
It's the same old thing as yesterday

I have stood here before in the pouring rain  
With the world turning circles running 'round my brain.  
I guess I always thought you could end this reign,  
But it's my destiny to be the king of pain.....

King Of pain [x3]

I will always be king of pain  
(I have stood here before in the pouring rain)  
I will always be king of pain  
(With the world turning circles running 'round my brain)  
I will always be king of pain  
(I guess I always thought you could end this reign)  
I will always be king of pain  
(But it's my destiny to be the king of pain)  
I will always be king of pain  
I will always be king of pain  
(I have stood here before in the pouring rain)  
I will always be king of pain  
(With the world turning circles running 'round my brain)  
King of pain  
(I guess I always thought you could end this reign)  
King of pain  
(But it's my destiny to be the king of pain)  
King of pain
