can't take my eyes off you by Gerard Joling & Tatjana  
You're just too good to be true.  
Can't take my eyes off you.  
You'd be like Heaven to touch.  
I wanna hold you so much.  
At long last love has arrived  
And I thank God I'm alive.  
You're just too good to be true.  
Can't take my eyes off you.

Pardon the way that I stare.  
There's nothing else to compare.  
The sight of you leaves me weak.  
There are no words left to speak,  
But if you feel like I feel,  
Please let me know that it's real.  
You're just too good to be true.  
Can't take my eyes off you.

(Hey!)  
(Hey!)  
(Hey!)

I love you, baby, and if it's quite alright,  
I need you, baby, to warm a lonely night.  
I love you, baby. Trust in me when I say:

Oh, pretty baby, don't bring me down, I pray.  
Oh, pretty baby, now that I found you, stay  
And let me love you, baby. Let me love you.

You're just too good to be true.  
Can't take my eyes off you.  
You'd be like heaven to touch.  
I wanna hold you so much.  
At long last love has arrived  
And I thank God I'm alive.  
You're just too good to be true.  
Can't take my eyes off you.

(Hey!)

(Hey!)

I love you, baby, and if it's quite alright,

I can't take my eyes off you o'you know who  
and you've been watchin' me, watchin' you  
So what we gonna do, what we gonna do, miss?  
I really, really, really wanna give you a kiss

You look like a 'bon appetit'  
the girl I'm dyin' to meet  
I can't take my eyes off you  
'Cause my lofe for you is so true

Ooohooooohoo

Oh, pretty baby, don't bring me down, I pray.  
Oh, pretty baby, now that I found you, stay  
And let me love you, baby. Let me love you.
