People sitting,
talking talk for hours
Discussing if the love
they've got is real

You don't have
to say it
'Cause I know exactly
what you feel

People keep on
talking by the weather
Spending words
unimportant things

Staying in a corner
Listen to our hearts
that sing

We don't have to
say the words
We live by the love
that's in our eyes

If we're feeling
good or bad
We don't have
to say it
We don't have to
say the words

Sometimes I can feel
you read my mind babe

That I'm an open
book for you

Hey, never hard
for us to find love
Always I'm coming
through to you

We don't have to
say the words
We live by the love
that's in our eyes

If we're feeling
good or bad
We don't have
to say it
We don't have to
say the words

We don't have to
say the words
We live by the love
that's in our eyes

If we're feeling
good or bad
We don't have
to say it
We don't have to say
We don't have to
say the words

We don't have to say..
