Seguro que han odo que yo soy educado
Soy un caballerito un chico bien portado
Un joven responsable y siempre bien vestido
Yo no se quien ha mentido

I don't drink or smoke aint into dope
Wont try no coke, ask me how I do it, I cope
My only addiction has to do with the female species
I eat em raw like sushi

No me gustan ternos, mi estilo es moderno
Si me enterno, you me enfermo
Mi apariencia es dura, vivo en la locura
No me vengan con ternuras

So please don't judge a book by it's cover
There's more to being a latin lover
You got to know how to deal with a woman
That wont let go
The price you pay for being a gigolo

There's not a woman that can handle
A man like me
That's why I juggle two or three
I aint one to commit, you can omit that bit
You pop the question that's it
Haber uno, dos, tres, cuatro mujeres
Y la situaci all no muere
No es un delito calmo mi apetito
Con un llanto o un grito

So again don't let my lyrics mislead you
I don't love you but I need you
Would you rather have me lie
Take a piece of your pie and say bye
Or be honest and rub your thighs

Well, it's ten oclock and I'm two hours late
I never said I was a prompt date
But you kept persisting that I meet your parents
Huh, they're going to love my appearance

Ding dong el timbre suena
Tu madre abre, que vieja mas buena
Le digo Hola! Pero no para bola
Que se ha creido vieja chola

Go and serve the food mom
Que tengo ambre
If you don't hurry, me va a dar un calambre
Y usted seor? Whys your chin on the floor?
Sierra la boca por favor

What's this amor, these little huevos?
Esto s que yo no pruebo

I'm used to good ol fashioned
Homestyle Spanish cooking
If I try that I'll be puking
Well it's been a pleasure but we got to go
Regresaremos temprano
Cinco, seis, o siete de la maana
Su hija esta en buenas manos
