I've fixed my dwelling for the night
Lights in pairs come passing by
Where I hide
I need some time now on my own
To leave my loneliness alone
To lick my wounds

Night has found me just in time
To help me close my eyes
One more time

Living a boy's adventure tale
In so many ways
Living a boy's adventure tale
For so many days
I'm living a boy's adventure tale
Can't escape if I wanted to
Living a boy's adventure tale
I may be dreaming
But I feel awake

I've been lost in so many places
Seeking love in so many faces
A change of weather
The rain pours down
My head in hands
Pressed to the ground

And where am I supposed to go now

Living a boy's adventure tale
In so many ways
Living a boy's adventure tale
Ah
Living a boy's adventure tale
The voice I hear
Living a boy's adventure tale
Singing a lullaby from me

Living a boy's adventure tale
Because of you

Living a boy's adventure tale
Oh you know it's true
Oh living a boy's adventure tale
In so many ways
For so many days
I love you
I love you
So many ways
