My breath is coming fast  
And I should make a start  
You turn to go  
Oh, oh

I'll do what you want me to  
I'll cry at the thought of  
The loss of a heart

Love is reason  
Love is reason  
Love is reason  
Love is reason enough

My morals are changing fast  
I told you it wouldn't last  
You turn and go  
Oh, oh

I'll be what you want me to be  
I'd die at he thought of  
The loss of your heart

Love is reason  
Love is reason  
Love is reason  
Love is reason enough

Oh, love is reason enough  
I'd die at the thought of  
The loss of your heart

Love is reason  
Love is reason  
Love is reason  
Love is reason enough
