Come the winter
Falling snow
I could swear I'll make this promise hold

I won't give you shadows
Never never
I won't give you shadows
Ooh

See me standing on a bridge in white
I watch the water spinning scenes by ice
Now I swear to make these words sound right

I won't give you shadows
Never never
I won't give you shadows
Ooh

And my love is all that matters
And my love is all I see

Hold me
Give all your love
Touch me
Give all your love to me

Hold me
Give all your love
Touch me
Give all your love to me

I won't give you shadows
Never Never
Won't give you shadows
Never never
Won't give you shadows
Never Never
I won't give you shadows
Oh

I swear to you I'll make this promise hold
