It's the way we feel tonight
As if it's all unreal
All right.
My love
Won't you come back to our love

You know I'll react to -
The blood that moves my body now covers the ground.
The blood that moves the body
The blood that moves the body.

There's nowhere to go tonight

Lend some warmth to our cold and lonely lives.
Red stains on "Eyes Of A Blue Dog"

My pains fade as the interiors fog -
The blood that moves my body now covers the ground.
The blood that moves the body
The blood that moves the body.

Not long ago it hurt us so
A tremble through our lives.
The love and care
The way we were
Now lost it's way at nights.
It's the way we feel tonight.

The blood that moves the body
The blood that moves the body.
Not long ago it hurt us so
A tremble through our lives. . . .

Lend some warmth to our cold
And lonely lives.
My love
Won't you come back
To our love
You know I'll react to -
The blood that moves our bodies
Now covers the ground

Now covers the ground.

The blood that moves the body

The blood that moves the body

The blood that moves the body

The blood that moves the body.
