Touch me
How can it be?
Believe me
The sun always shines on T. V.
Hold me close to your heart

Touch me and give all your love to me - to me.

I reached inside myself and found nothing there to
ease
The pressure of my ever worrying mind.
All my powers waste away
I fear the crazed and lonely looks
The mirror's sending me these days.
Touch me
How can it be? . . .

Please don't ask me to defend the shameful lowlands
Of the way I'm drifting gloomily through time.
I reached inside myself today thinking
There's got to be some way to keep my troubles
distant.
Touch me
How can it be? . . .

Hold me close to your heart

Touch me and give all your love to me - to me.
