I get a feeling, morning and evening

Baby when you get home

I got a vision, my superstitions gone

Baby I'm shining, you got me flying

Throw me a silver line

Pull me down slowly and kiss me, and hold me tight

We can hide it

We can't fight

Just to feel as you believe

I put a spell on my heart for ya

Wishin' on a little star for ya

Kinda magic in every thing we do

I'd live and I'd die for ya

Get a little bit high for ya

Forever couldn't come too soon

Running circles around the moon

I'm moving over, you're getting closer

Heaven is in your eyes

Mystical wonder, flowing into our lives.

Spirits are waking, to the love that we're makin'

Angels are on our side

Watching and waiting, catching the joy we cry  
I put a spell on my heart for ya  
Wishin' on a little star for ya  
Kinda magic in every thing we do  
I'd live and I'd die for ya  
Get a little bit high for ya  
Forever couldn't come too soon  
Running circles around the moon  
Out of my mind  
Chasin circles of love, just to find  
Every lifetime  
It's always you  
I put a spell on my heart for ya  
Wishin' on a little star for ya  
Kinda magic in every thing we do  
I'd live and I'd die for ya  
Get a little bit high for ya  
Forever couldn't come too soon  
Running circles around the moon
