i have offened dreem
of a far off place
where a great warm welcome will be waiting for me
where the crowds will cheer
when they see my face
and a voice keep saying
this is where i meant to be

i will find my way
i can go the distance
i'll be there someday
if i can be strong
i know every mile
will be worth my while
i will go most everywhere
to find where i belong

instrumental

I am on my way
I can go the distance
i'll someday
somehow i'll be strong
i know every mile will be worth my while
i will go most anywhere
to find where i belong..
