Only you can set me off  
Only you can set me off

No other man has the style or the vibe you do, so cool.  
There when I need you but not when I don't, you've  
learnt the rules.

Give me the lick that makes me feel sexy from my hip  
to my feet.

You got the bass and you got the treble.  
Hot like the devil. Only you can set me off.  
You got the love. Je ne sais quoi.  
Oh! La la la! Only you can set me off.

I'm like a switch, you can turn me on by just one touch.  
Feeding me, teasing me, you are the sweet I crave so  
much.

Give me that thing that is making me high. You know up  
my G is alright.

You got the bass and you got the treble.  
Hot like the devil. Only you can set me off.  
You got the love.  
Oh! La la la! Only you can set me off.

Une, deux, trois, dancez avec moi.  
Une, deux, trois, Je ne sais quoi.  
Une, deux, trois, dancez avec moi.  
Une, deux, trois.

You got the bass and you got the treble.  
Hot like the devil. Only you can set me off.  
You got the love. Je ne sais quoi.  
Oh! La la la! Only you can set me off.

You got the bass and you got the treble.  
Hot like the devil. Only you can set me off.  
You got the love. Je ne sais quoi.  
Oh! La la la! Only you can set me off.
