Hey you, remember me  
We've got a date with destiny  
Been falling down my human race  
Been searching for amazing grace

When the cup is half empty  
Make it half full  
There's an underground river  
Shaping us all

Step by step (step by step)  
Hour by hour (hour by hour)  
What we've got is a woman's power  
Day by day (day by day)  
Believe in you (believe in you)  
In what you want and what you do

It's the strength of a woman  
It's the strength of a woman  
It's the strength of a woman

Hey girl, I remember you  
You're not alone, cos I feel it too  
Been searching hard for a better man  
But he won't save you, only you can

We're running out of heroes  
Good guys I find  
Mr. Perfect Wonderful  
Is not on my mind

Step by step (step by step)  
Hour by hour (hour by hour)  
What we've got is a woman's power  
Day by day (day by day)  
Believe in you (believe in you)  
In what you want and what you do

It's the strength of a woman  
It's the strength of a woman  
It's the strength of a woman

It's the strength of a woman

So come on, speak out  
Be strong, no doubt  
Cos we dream  
We hope  
We run

Step by step (step by step)  
Hour by hour (hour by hour)  
What we've got is a woman's power  
Day by day (day by day)  
Believe in you (believe in you)  
In what you want and what you do

Step by step (step by step)  
Hour by hour (hour by hour)  
What we've got is a woman's power  
Day by day (day by day)  
Believe in you (believe in you)  
In what you want and what you do

It's the strength of a woman  
It's the strength of a woman  
It's the strength of a woman  
It's the strength of a woman

It's the strength of a woman  
It's the strength of a woman  
It's the strength of a woman  
It's the strength of a woman  
[Repeat to Fade]
