Sometimes I tiptoe by  
I look for telly love

I understand there's no such plan  
That fits just like a glove

Feel a little high  
Feel a little shy  
You're the reason why I know you

It's summer time with sleepy eyes  
I'm sorry, I'm sorry  
Gotta dream in mind  
Just in time  
Don't worry worry no no no

So dry that tear in the sun  
Burn your skin we've just begun  
A summer dream yes my dear  
Chilling shadows disappear

Feel a little high  
Feel a little shy  
You're the reason why I know you

It's summer time with sleepy eyes  
I'm sorry, I'm sorry  
Gotta dream in mind  
Just in time  
Don't worry worry no no no

Dive on in to this foolish ocean  
It's so full of love  
Swim swim with me, I don't wanna drown  
Hold me baby we're going down

It's summer time with sleepy eyes  
I'm sorry, I'm sorry  
Gotta dream in mind  
Just in time  
Don't worry don't worry

Its summer time with sleepy eyes  
Im sorry, Im sorry  
Gotta dream in mind  
Just in time  
Don't worry don't worry no no no

Its summertime
