"You're In A Bubble"

Visit "[You're In A Bubble](#)" on MotoLyrics.com

It's important to learn to laugh at ourselves
Don't take life too seriously

You're in a bubble, the money's just doubled
So call the police, 'cos your karma's in trouble
You're in a bubble, give baby a cuddle
You're losing control and you're sellin' your soul

Big mouth, big money
You bitch, you ain't that funny
Got somethin' to burn and love to waste
It's a social climb to big bad taste

Rich bitch, sugar daddy, whizz kids, city boy
Jet setting, go getting, grown-up toys
Heart breakin', money makin', earth-quaking, love
fakin'
Where's your heart, did you sell that too

You're in a bubble, the money's just doubled
So call the police, 'cos your karma's in trouble
You're in a bubble, give baby a cuddle
You're losing control and you're sellin' your soul

Paranoid, star lover
You talk rich and that's your cover
The more you get, the more you chase
Wipe that Prada smile from that rada face

Dressed up, messed up, green-eyed sycophant
Pushy mother, lost brother in real hot pants
Heart breakin', money makin', hot-head fool
To get your own way, divide and rule

You're in a bubble, the money's just doubled
So call the police, 'cos your karma's in trouble
You're in a bubble, give baby a cuddle
You're losing control and you're sellin' your soul

You talk rich, you bitch
That's your cover, star lover

You're in a bubble, the money's just doubled
So call the police, 'cos your karma's in trouble
You're in a bubble, give baby a cuddle
You're losing control and you're sellin' your soul

I'm only joking

You're in a bubble, the money's just doubled
So call the police, 'cos your karma's in trouble
You're in a bubble, give baby a cuddle
You're losing control and you're sellin' your soul

You're in a bubble, the money's just doubled
So call the police, 'cos your karma's in trouble
You're in a bubble, give baby a cuddle
You're losing control and you're sellin' your soul

You're in a bubble, the money's just doubled
So call the police, 'cos your karma's in trouble
You're in a bubble
