Title : The darkest night of all

Good night

How can you sleep ?

How can you sleep through this ?

What are your thoughts ?

It's your turn to tell me

I wouldn't know

I never learned

These things are hard

These things can hurt

All other secrets

Nobody needs to know

How does it feel

For ??? a sleep so hard ?

How could I ask ?

How could I say ?

The things I need to

You'd go away

Memory must

Fill you as love

Positive days
Positive years
Older than lonely
Older than old
There's only manners
Men have to go
You have to feel this
You have to cry
I can go on
I can deny
The stuff it hurts
Allways it will
Now I can ask
Now I can say
The things I need to
You've gone away
Good night
