Title : Destroy the flower

She loved beautiful things

They better smile than think

- Put your whistle in your pocket

And he stayed there

He was a clever boy

Full of new ideas

- I told you you can't do that

So he didn't

Destroy the flower

Destroy the flower

And I ??????

????? she ran her way

Somebody stopped her

Maybe they were scared

And they never come back

And it's all your fault

- Give yourself a break

But she couldn't

Destroy the flower

Destroy the flower

Destroy the flower

In the world's plains

Still have flowers ???

Still beautiful things can surround us

He was clever enough

To stay drugged and foot up

- Can you call somewhere ?

But he didn't

And he'll never come back

And it's all your fault

They still are ????

Because you didn't change it

You destroy the flower

You destroy the flower

You destroy the flower

Destroy the flower
