Feeling not all right  
My time's in a sand-slide  
So hard not to unwind  
Find some wall to climb

Capsules cover the signs  
My thoughts in a land mine  
Some lights burn too bright  
My nights hold too tight

Slowed away, outta breath  
Won't wait to pass the test  
Too late to answer lies  
Don't even need to try

Livin' in a fury  
Life's kinda blurry  
Dyin' in a hurry  
Stories kinda lurid

No time to worry  
Gonna hang the jury  
Broke up kinda early  
All the bribes are working

Livin' in a fury  
Life's kinda blurry  
Dyin' in a hurry  
Stories kinda lurid

No time to worry  
Gonna hang the jury  
Broke up kinda early  
All the scribes are working

Feeling not all right  
My time's in a sand-slide  
So hard not to unwind  
Find some wall to climb

Capsules cover the signs  
My thoughts in a land mine

Some lights burn too bright
