*[Chorus:]*

I'm Richie Dagger  
I can stomp and swagge  
I can take on all your heroes  
I'm Richie Dagger  
I'm young and I'm haggard  
The boy that nobody owns  
He sits in his corner  
like a child despised  
A crazy sort of cast comes  
over his eyes-  
That's Richie Dagger's crime  
He's the sort of a boy that was  
never much loved  
His idea of fun was society's grudge-  
That's Richie Dagger's crime  
His life was such a mess

And his friends weren't  
quite the best  
5  
We're vision rapers and  
we seed the signs  
You'll play your part in the master mind  
Middle: We lead the science  
We deal in riots  
We play by ideal time  
We're a gov'ment fix  
All social convicts  
Watch the rhymes

*[Chorus]*

Bleed your heart out-that's all it's worth  
Before you ever start-and we planned it first  
Forget the turth-accept your cure
