[Originally by Chuck Berry]

-i just like it, let me have this dance,
ya your jumping, had a crazy sound,
an it'll start running, to look him down,
sound so neat, just give me a chance,
move out of my seat, just hear that dance,
start pushin my feet, and clap your hands,

just dont like it, goin up and down,
ya theres really somthing, with a crazy sound,
and you'll start running now, to look him down,

about 12 o' clock, oh god im drunk,
the place is sacked, it the front lot,
but this night, i just dont like,

just dont like it, goin up and down,
ya theres really somthing, with a crazy sound,

and you'll start running now, to look him down,

(Guitar Solo)

about 12 o' clock, oh god im drunk,
the doors are locked, the place is packed,
but this night, i just dont like,

just dont like it, goin up and down,
ya everywhere i am, with a crazy sound,
and you'll start running now, to look him down.
