Life goes on day after day
Hearts torn in every way

So ferry 'cross the Mersey
'Cause this land's the place I love
And here I'll stay

People they rush everywhere
Each with their own secret care

So ferry 'cross the Mersey
And always take me there
The place I love

People around every corner
They seem to smile and say
We don't care what your name is boy
We'll never turn you away

So I'll continue to say
Here I always will stay

So ferry 'cross the Mersey
'Cause this land's the place I love
And here I'll stay, and here I'll stay
Here I'll stay
