Do that again  
Kiss me once more  
Forgot the words

I like it, I like it  
I like the way you run your fingers through my hair  
And I like the way you tickle my chin  
And I like the way you let me come in  
When your mama ain't there

I like it, I like it  
I like the words you say and all the things you do  
And I like the way you straighten my tie  
And I like the way you're winkin' your eye  
And I know I like you, you know I like you

Do that again  
You're driving me insane  
Kiss me once more  
That's another thing I like you for

I like it, I like it  
I like the funny feeling being here with you  
And I like it more with every day  
And I like it always hearing you say  
You're likin' it too, you're likin' it too

I'm askin' you  
What do you wanna do?  
Do you agree  
That the world was made for you and me?

I like it, I like it  
I like the funny feeling being here with you  
And I like it more with every day  
And I like it always hearing you say  
You're likin' it too, you're likin' it too

Whoa oh, I like it  
Are you likin' it too?
