Don't you, don't you worry darlin'
Don't you know I'll be there
I'll be there when all your dreams are broken
Answer your unspoken prayer

When the little things you're doin'
Don't turn out right
Don't you worry darlin' I'll be there

I miss you and in my dreams I'll kiss you
Then wish you luck on your new affair
So baby if you need me all you have to do is call me
And don't you worry darlin', I'll be there

There whenever you need to know
That there is someone who cares
So if your new love isn't the true love
Don't you worry darlin', I'll be there

There whenever you need to know
That there is someone who cares
So if your new love isn't the true love
Don't you worry darlin', I'll be there

Don't you know, I'll be there
Don't you, don't you worry darlin'
Don't you know, I'll be there, I'll be there
