I'll wait for you through rain or shine  
I'll wait for you 'cause I know you're mine  
And though you're far away, you know I'll always say  
I'll wait for you 'cause I know you're mine

I'll wait for you everyday  
I'll wait for you when you're away  
'Cause when you're near me with your hand in mine  
I know I'll wait till the end of time

I know you're never far away from me  
No matter where you go  
I'll do my waitin' till you're back to me  
Because I love you so

I'll wait for you everyday  
I'll wait for you when you're away  
'Cause when you're near me with your hand in mine  
I know I'll wait till the end of time

I know I'll wait till the end of time  
I know I'll wait till the end of time
