I'm the one who cares about you  
I'm the one who'll always be true

'Cause I know, yes I know  
That I, I love you so

I'm the one who'll be by your side  
I'm the one with arms open wide

'Cause I know, yes I know  
That I, I love you so

You're the reason I'm livin'  
Please don't break my heart in two  
'Cause the love that I am givin'  
Will always be with you

I'm the one who needs your tender touch  
I'm the one who needs your love so much

'Cause I know, yes I know  
That I, I love you so

You're the reason I'm livin'  
Please don't break my heart in two  
'Cause the love that I am givin'  
Will always be with you

I'm the one who needs your tender touch  
I'm the one who needs your love so much

And so, so I know oh oh  
That I, I love you so
