Now I'm gonna try & find a girl  
Who will make me feel so good  
& when I do, I'll sing this song  
& I know I'll love her like I should  
I'll sing:

CHORUS:

La la la la, la la la la la la la  
La la la la, la la la la la la la

Whenever I am lonely, girl  
& I got no place to go  
I don't sit around & mope all day  
I get up & here's what I say  
I say:

(Chorus)

You get no fun out of hangin' around  
Or moanin' every day & night  
It's so much better if you take it off  
You cannot sit & fuss & fight  
Well let me hear you now:

(Chorus)

If you got your troubles just like all the other guys  
Don't be a jerk like them, my friend  
Just shout this & your mouse & hide  
Let's shout:

(Chorus)

La la la la la
