French-speaking intro

Oh yeah

Yeah yeah all souls (in the wilderness)

Yeah yeah all souls

Yeah yeah all souls (in the wilderness)

Yeah yeah all souls

Well I'm innocent 'til I'm proved guilty,  
Yes I'm right 'til I'm proved wrong,  
I don't need to prove my innocence,  
Sometimes I'm weak, sometimes I'm strong.

Well I can't deny the feeling,  
Yes I know, I'm in too deep  
The only reason that I'm in this world,  
Is to wake up from this sleep.

All souls in the wilderness,  
All souls are in need  
All souls in the wilderness,  
All souls are in need.

In a world of no compassion,  
You look around and see this stuff,  
Sex, celebrity and fashion,  
Sometimes I think I've had enough.

All souls in the wilderness,  
All souls are in need  
All souls in the wilderness,  
All souls are in need.

All souls (in the wilderness)

You like to tell me I'm lost,  
You never think twice,  
You can't imagine the cost,  
You look at me, you don't see that I'm paying the price.

All souls in the wilderness,

All souls that are in need  
All souls in the wilderness,  
All souls that are in need.

There's a light that shines around you,  
You don't see it every day,  
Well your life is short, it's by so quick,  
And every day is Judgement Day.

All souls!.  
Yeah yeah all souls (in the wilderness), Yeah yeah all  
souls  
Yeah yeah all souls (in the wilderness), Yeah yeah all  
souls  
Yeah yeah all souls, Yeah yeah all souls  
Yeah yeah all souls, Yeah yeah all souls

All souls in the wilderness (in the wilderness)  
All souls in the wilderness  
All souls in the wilderness

(oh yeah)
